A Touch of an Angel Florist

A Perfect Bloom

Valerie McMurray, Victoria Larock and Jean Hill

I was recently so enthralled with an enchanting little flower shop in South Glens Falls that I just had to let my Lori's Picks readers know about it. A Touch of an Angel is filled with exquisite flowers, beautiful floral arrangements, and whimsical gift items for all budgets.

Victoria Larock, Valerie McMurray, and Jean Hill have truly gone above and beyond to create a unique and special place. If you are planning your holiday décor, a wedding or event of any kind, I highly recommend you visit A Touch of an Angel. There is no doubt that their level of personal attention, creativity, and perfection far exceeds the norm.
